

IPC Read A Loud Schedule

2013-2014

Thank you so much for volunteering to read to our covenant children this year. Please take the time to eat your supper first! When you are finished, please flick the lights a few times to bring the children to you. Take them into the nursery room off of the fellowship hall and read two or three short stories. This should not run over 15 minutes for the evening. If you need a substitute for your evening, you may contact someone else on the list to see if they are available to swap with you. If you are not able to find a substitute or you need a replacement at the last minute, please call me! Amy Martin 897-2214. Blessings to each of you!
